### St. John Paul II Catholic Schools – SCRIP Program

The St. John Paul II Catholic Schools is pleased to offer SCRIP to benefit our families and our schools. This BURDENLESS fundraising program will reduce the tuition cost for participating families and raise money for our schools through everyday shopping. Here's how it works:

- Retailers sell gift cards to St. John Paul II Catholic Schools at a discount
- St. John Paul II Catholic Schools sells the gift cards to participating families (friends and relatives) at face value
- St. John Paul II Catholic Schools splits the discount earned with the participating family 50/50
- Funds accumulated in the families' SCRIP account will be applied to their St. John Paul II Catholic Schools tuition account one time per year for the next school year's tuition

Each family interested in participating in SCRIP will complete a Family Registration Form. This form ensures that a family's SCRIP dollars are credited to the proper account and SCRIP orders are processed and delivered properly.

SCRIP orders will be taken and processed each week so that your everyday purchases of gas, groceries, clothing, entertainment and dining out can be applied to your family account. Order forms will be included in each filled order and are available at each school as well as online at [www.jp2schools.org](http://www.jp2schools.org) (Scroll to bottom of home page, Under QUICK LINKS)

St. John Paul II Catholic School families can maximize their SCRIP dollars through friends and family members participating in the program and designating that family's account on their registration form.

Each registered family will have a St. John Paul II Catholic Schools SCRIP account. This account will track all of your purchases and any other participants' purchases that are designated for your account. The tuition credits earned on each participating family's account will be held by the SCRIP program and credited to your tuition account one time a year. The credit will take place near the end of the school year **for the next year's tuition and will show on your tuition statement.**

Know a future family that would like their child(ren) to St. John Paul II Catholic Schools? They can participate in SCRIP by banking tuition dollars for five years in advance.

We offer SCRIPNOW which is an app that allows you to download cards using your smartphone.

St. John Paul II Catholic Schools SCRIP can make a significant impact on the cost of Catholic Education through reduced tuition. The key to success of the program is utilization. We prayerfully ask that all of our families participate in the program. If your family is not in need of tuition credit, your participation can provide much needed assistance to other members of our St. John Paul II Catholic Schools family.
