## FALL/WINTER ATHLETIC PROGRAM—AD SALES OPPORTUNITY

Did you know that Shanley Athletic Club is responsible for funding a large part of the athletic programs at the JP2 Schools? The past few years they have contributed over \$40,000 to help the elementary, middle school, and high school programs within our school system.

The main source of income for the Shanley Athletic Club is through ad sales that are printed in the fall and winter athletic programs at Shanley High School. Ads range in size from one eighth of a page for \$275- all the way to a full page color ad for \$1500. We are proud to say we have not raised prices for ads in the last 10 years.

I proudly represent the Shanley Athletic Club as their sales representative for the ad sales. As a former administrator, current teacher, and coach I have seen the wonderful work of the Shanley Athletic Club. They have helped take our athletic program to the next level. If you own a business, a CEO or have business connections to a specific organization or business, please consider putting an ad in our program. I would be happy to send you all the specific details on ads and deadlines and how to purchase a specific ad. We will not need immediate payment, you will be billed after the start of the coming school year.

**Deadline for all ads has been moved up to August 18th this year.**

Thanks for your consideration.

## SPORTS PHYSICAL REMINDER—DUE BEFORE 1ST PRACTICE

All students in grades 7-12 playing school sponsored sports, as well as students in the newly formed middle school football team, need to have their annual sports physical form (dated after 4/15/17) turned into the Activities Office before the first day of practice.

Area health care providers offer walk-in sports physicals over the summer. Check with your provider for details

The sports physical form can be found on the Activities website
