HOT LUNCH PAYMENT UPDATE

RenWeb (FACTS) did an upgrade this past week, as part of that update the FACTS link for payments in ParentsWeb has been changed to **Financial**. During this update an issue occurred and online lunch payments cannot be made through the app. While they work to resolve the issue lunch payments will need to be done through Parentsweb or sent with your student to give the school office.

We will let you know once we are notified that the issues are resolved.

Thank you.

Holy Spirit is exploring the possibility of starting a youth choir. We have a possible director, Samantha Martel, and a pianist, Yizhou willing to start a youth choir for grades 2 through 8 (from either the school, parish, or homeschool). Before we officially start, we need to know if there is enough interest. Rehearsals would be Wednesdays, 4:15pm-5:15pm. To start, the choir would sing at 11am Mass every other month. If you are interested, send me an email by Jan 03 stellaholyspirit@gmail.com.

Yours in Jesus Christ and the Holy Spirit,
Stella Marie Jeffrey
