Sullivan Parents and Students:

I cannot believe we are already ending the 3rd quarter of school. The start of a quarter (especially the 4th quarter) is a perfect opportunity to “reset” ourselves and begin again. Luckily, the start of the quarter also coincides with Lent. This, to me, is the perfect time to remind students that every day is a new chance to be the best version of yourself. It is a chance to be a great student, a great friend, a great classmate, a Deacon.

As we work towards ending the year strong, rather than thinking about it in terms of the last 9 weeks, maybe we need to shift our focus to making the best of every day, every moment.

All of our students have great qualities, now more than ever (as we seem to still be stuck in winter) we need to look for those great qualities in each other.

Spring is just around the corner!

As always, if you have any questions or concerns, please feel free to contact me.

Go Deacons!

Leon Knodel

SHANLEY SERVICE CLUB

Shanley Service Club is collecting kitchen items such as gently used pots, pans, everyday dishes (no china), baking items, utensils, small kitchen appliances in good working order, etc. These items will be donated to the local Open Doors 65 who GIVES the items to needy families and struggling individuals in Fargo and Moorhead who cannot afford thrift shops. Open Doors 65 has empty shelves where they would normally have kitchen items, so this is a good time to donate those extra kitchen items you no longer need or use and are taking up space in your cabinets. Just drop off the items in the office or have your child bring them to Ms. Foell's classroom. Bring the items any time between now and March 15th.

"DEACON FOOTBALL THE FUTURE IS NOW"

Dear Deacon Football families,

Welcome to Deacon Football. We are excited for the 2019 summer football camp season. Shanley football has a rich tradition and we are working extremely hard to maintain that "Tradition of Excellence" both on and off the field. One of my main goals as Head Coach of Shanley football is to make football a "Network" sport, meaning to bridge our youth program with our high school program. Summer camps is one way that gives us that opportunity. It also helps us develop and teach our football players the fundamentals and techniques of football. Not only that, but making football fun and teaching players the importance of working with friends in becoming great "teammates" is just as important.

All football camps can be found at www.deaconcamps.com Once you get to the site, you will see that we have decided to run our camps over the whole summer rather than doing a short, three day camp. We are excited to provide this opportunity for our players to help develop them into the best possible football player they can be. Not only will this help them in the sport of football, but our goal is to make each player an "athlete" with an end result of making everyone a multi-sport athlete. (Exception: the Kindergarten through 3rd grade camp will still be a 3 day camp) Use the grade that your son will be in next fall.

As coaches, we understand the importance that summer has on families as well. We don't expect your son to be there each and every session as we know family vacations, other camps, etc. will come up and we encourage families to do all of that.

We also need to start thinking about the 2019 FM Athletics football season. In order for us to assure that all of the network kids will play together, we need to make sure we are getting our players signed up on time. Please go to www.fmathletics.com to register your son. If the deadline is missed, your son will be put on a random team where the numbers are in need. Please make this a priority so all of our network kids can play with their classmates and future "Deacon". The deadline to register is May 15th.

Reminder: FM Athletics is now 4th through 6th grade, 7th and 8th grade are now part of Sullivan/Shanley

On behalf of the Deacon coaching staff, we are looking forward to you joining us this summer for our "Future is Now" camp, because the "Future is Now". For future information, check out our Shanley Football website at www.deaconfootball.org
