

Hello Trinity staff, students and families,

My name is Jessica Dreyer and starting on December 17<sup>th</sup>, I will be blessed with the opportunity of becoming the coordinator of the after-school program. I wish to take a moment to formally introduce myself to those of you I have not yet met since I began here in September. I grew up in Montevideo, Minnesota and am currently in my last semester of undergraduate study at MSUM. In a few weeks I will receive my Bachelor of Arts degree in Psychology and will continue my education next fall, pursuing a graduate degree in School Psychology. Children and the educational environment are my true passions and I am thankful to be surrounded by both every day. When I'm not here at Trinity, you can find me watching football, at the lake (activities dependent on whether it is ice or water) or cooking for my friends and family.

My experience here so far has been fantastic, and I truly believe in Trinity and their mission. My hope is to continue providing a positive environment for the kids with the help of the wonderful staff we have. Please do not hesitate to contact me with any questions or concerns during the transition or at any time during the rest of the school year. I look forward to meeting and working with all of you!

All the best,

Jessica Dreyer
