

## SHANLEY DRESS CODE

The purpose of the Shanley High School uniform policy is to support a safe and disciplined learning environment, encourage positive student behavior and modesty, lessen the impact of socioeconomic differences, and encourage students to experience a greater sense of school identity and belonging.

**PLEASE NOTE: For the 2021-2022 schools year all, uniform items must be ordered through the School Uniforms by Tommy Hilfiger uniform store.**

**General Information:** Upon entering the school building, all students will follow the uniform code policy until the end of the school day. Students in violation of the uniform code will be asked to conform. Students who cannot or will not conform to the policy will not be admitted into the classroom and will be sent to the school principal for appropriate action, which may include sending the home to change. The principal has the final decision on what meets the dress code. Senior privileges will not exclude students from following this code.
