

St. John Paul II Catholic Schools Back-to-School Information

July 2020

Welcome Back!

We hope that you are having an enjoyable and rejuvenating summer. On behalf of St. John Paul II Catholic Schools staff, we are so excited to be welcoming students back to school and look forward to seeing everyone. We are committed to providing a quality Catholic education for our students as we continue to strive to provide an engaging faith-filled community based on Gospel values, strong student achievement, community service, and celebration of individual and collective achievements. Thank you for selecting St. John Paul II Catholic Schools for your children.

School reopening plans specific to this year will be communicated through email and on the website. Watch for additional information in the JP2 newsletters.

Enclosed you will find some important information for the 2020-2021 school year. Additional Back-to-School information can be found on the JP2 website, www.jp2schools.org, under Parent Resources.

Once again, we are happy to say that most of the annual back-to-school paperwork will be done electronically through ParentsWeb. Login to your ParentsWeb account and go to Web Forms, then Family Demographic Forms to choose Back to School - Annual. Within this group you will acknowledge that you and your child have read and reviewed the following grade-level specific documents: Student/Parent Handbook, Code of Conduct, Field Trip Permission, Concussion Information (6-12 grades only), Acknowledgement and Risk Warning (6-12 only), and Release of Medical Information (6-12 grades only). **The electronic signature must be done for each student before the start of school or first activities practice.** All documents are linked within the specific grade groups and can also be found on the JP2 website under Student Resources for future reference.
