WELCOME

Shanley High School's singular mission is to help all her students become saints. Accomplishing this mission is realized only through the grace of Jesus Christ. But in His divine providence, He desires us to cooperate with His grace. Shanley High School, through the work of her faculty and administrators, cooperates in this mission primarily through the formation of the intellect. As the wise scholar knows, "You cannot love what you do not know." It is by learning about God and His created world that the student comes to love God. The student who takes his studies seriously and learns more deeply, consequently, possess the capacity to love God more deeply.

I welcome you to Shanley High School, a community committed to excellence in learning. We recognize and accept that learning is hard. Learning is a slow process, one that requires patience, and diligent, persistent effort. As fallen men, we are tempted to take the easy road, to cut corners, to live the unexamined life. But a commitment to the difficult task of learning is a sign of a mature, well-ordered soul. Learning is its own reward. The scholar delights in dispelling ignorance and illuminating his mind, just as the athlete delights in victory or the baker delights in a delicious cake. At Shanley, the student should expect to be challenged, but he willingly accepts the challenge knowing that his humanity is elevated by the deepening and broadening of his intellect.

You will find that Shanley is a community committed to the whole person: mind as well as body and soul. Shanley Deacons are also competitive on the field, compelling on the stage, stirring in the auditorium, reverent in the sanctuary, and joyful in the cafeteria. If St. Irenaeus was correct when he wrote, "The glory of God is man fully alive," then Shanley Deacons give glory to God. They are fully alive in mind, body, and soul.

Welcome to Shanley High School. You will begin your Shanley career as a nervous, naive freshman. But if you give yourself over to study, you will graduate as a mature disciple in pursuit of the Truth. And in that pursuit, you will glorify God.

In Christ,
Fr. Kyle Metzger
Principal

PURPOSE OF THE STUDENT HANDBOOK

The student handbook should serve as a reference for the students, parents, coaches, advisors, director of athletics and activities, and other school officials who need to be knowledgeable of the procedures, policies, duties, and responsibilities as they relate to the St. John Paul II Catholic Schools (JPII Catholic Schools).

It should also serve as a guide in the promotion of a well-planned program of co-curricular activities, which subscribe to and promote the educational goals and spiritual values, as expressed in the policies of JPII Catholic Schools. The JPII Catholic Schools Policy Manual contains all current, additional, and revised policies and can be found at the school office.

The administration has the right to make any exceptions to any regulations outlined in this handbook.

SHANLEY HIGH SCHOOL PHILOSOPHY

Shanley High School strives to proclaim to our students the Gospel of Jesus Christ in the Catholic tradition and to help them grow through a person-centered educational process. This process encompasses three principal goals: a) to foster spiritual, intellectual, and physical development of the individual; b) to form a close, familial community for the purposes of relational growth; c) to translate the Gospel message into active concern and action within and outside the school community.

Shanley High School seeks to challenge students' intellectual and physical abilities and spiritual development. It recognizes that education transcends the classroom, addressing itself not simply to the mind, but to the whole person. It also recognizes that its teachers must accept and respect students as unique individuals in order for each student to build a positive self-image and an appreciation for education as a life-long process to be integrated into their lives.

Objectives:

1. To provide opportunities for students to develop as Christians through worship, study, and active apostolates.
2. To provide opportunities for students to grow in occupational, educational, and recreational skills and knowledge needed for their future through the use of required and elective disciplines.
3. To provide activities and programs for the development of positive relationships with both peer and other age groups.
4. To foster an appreciation and respect for the gifts of the Holy Spirit and of the physical universe as well as fostering a sense of Christian responsibility to share them with others.
5. To lay the foundation for leadership within the Church by encouraging a sense of responsibility for an active involvement in the life of the Church.
6. To foster personal growth by encouraging involvement in co-curricular activities.

Deacon Way: The Deacon Way is a way of life that provides clear expectations for students, staff, and parents to participate in a life that exemplifies respect to God, yourself, and others. Through the study and practice of incorporating virtues into daily life we grow in faith, leadership, character, positive role model, academics, and sportsmanship. The Deacon Way is intended to provide a clear path to "inspire excellence by teaching the total person by fostering the following of Christ as taught by the Catholic Church."

SHANLEY CODE OF CONDUCT

In the spirit of the Catholic faith, St. John Paul II Catholic Schools' Code of Conduct informs students and parents of the basic expectations of a student. The online Receipt & Acknowledgement form needs to be signed and submitted prior to the start of each school year. For students taking part in fall activities, it must be signed and submitted prior to their first day of practice.

PREFACE

The intention of this Code of Conduct is to assist the students of Shanley and Sacred Heart to be "*Imitators of God as beloved children and walk in love*" by conforming their thoughts, words, and actions to the minds "... *which is yours in Christ Jesus,*" and following His example (CCC 1694). It is meant to ensure a safe, healthy, and moral environment for youth in our school setting. This Code is a reminder that we are all created with dignity in the image and likeness of God (Gen 1:26-28).

Pope St. John Paul II challenged young people to heroic faith. In his message for World Youth Day 2002, he exhorted them *“not be content with anything less than the highest ideals!”* He also said, *“If you have an ardent desire for the Lord, you will steer clear of the mediocrity and conformity so widespread in our society...”* This Code aids in the creation of an environment that aspires to the highest of standards and ideals.

The content of this Code is inspired by the Holy Father’s message, Jesus’ *great commandment* (Matt 22:36-40) of love, and the God given dignity of each person. This Code is one of Christian kindness, respect, hospitality, and care, which will provide an ability to defeat mediocrity and conformity. This Code also reflects Christian stewardship and our proper duty and respect towards places and things.

**The following Code of Conduct will be used in conjunction with existing
JPII Catholic Schools Student Handbook, policies, and protocols.**

Keep on doing what you have learned and received and heard and seen in me. Then the God of peace will be with you.”* (Philippians 4:8-9)

- By being mindful that God created each of us in His image and likeness participants will act accordingly
- By being truthful, understanding, open-minded, gracious, reliable, and respectful

It shall be an expectation that each student behaves in a manner both on and off campus that is consistent with the Catholic principles of the school. The fact that a student is registered at JPII Catholic Schools indicates that the applicable policies, rules, regulations, and consequences have been examined and accepted by the student and parents/guardians. The school will work cooperatively with parents/guardians and students to assist students in meeting the academic, moral, and behavioral expectations of the school.

EXPECTATIONS FOR COMMUNICATING CONCERNS

In any school community, it is unavoidable that concerns about various issues may arise from time to time. It is therefore important to have clear guidelines for the handling of those concerns that are based upon sound principles. The most basic guiding norm is the duty to respect the inviolable dignity of each person. From that dignity flow certain moral demands which when met enable us to act in harmony with that dignity.

1. Fidelity to truth and rendering justice to others requires each of us to adhere to the following:
 - a. Hold accused person(s) innocent until proven guilty
 - b. Respect their right to a good reputation
 - c. Respect their right to defend themselves
 - d. Respect levels of confidentiality appropriate to the situation
2. *The Catechism of the Catholic Church offers us wise guidance in this area:* "Respect for the reputation of persons forbids every attitude and word likely to cause them unjust injury. He becomes guilty:
 - a. Of *rash judgment* who, even tacitly, assumes as true, without sufficient foundation, the moral fault of a neighbor
 - b. Of *detraction* who, without objectively valid reason, discloses another's faults and failings to persons who did not know them

- c. *Of calumny* who, by remarks contrary to the truth, harms the reputation of others and gives occasion for false judgments concerning them.” (n. 2477)

Above and beyond our natural duty to render justice to one another is our supernatural responsibility to live by divine charity by loving our neighbor as Christ has loved us. This responsibility is the basic Baptismal duty of every member of the Church. The school community should radiate the light of charity in both word and deed.

HANDLING OF CONCERNS

The above principles are reflected in the protocol for the handling of concerns. This protocol is intended to supplement the JPII Catholic Schools Appeal Process Policy No. 2006, approved by the Board of Directors June 2018.

Parent protocol for addressing concerns

1. An effort should be made to resolve the issue in a spirit of fairness and justice by following the ordinary and regular communication channels between the people involved.
2. One should operate under the assumption that the school staff and administration has handled the situation appropriately until such time as evidence to the contrary is substantiated.
3. Appropriate chain of command for addressing concerns (each level may require an extended process of dialogue and clarification):
 - a. Concern is first addressed to particular individual involved
 - b. If satisfaction is not achieved, then concern brought to appropriate administrator
 - 1) If teacher => appropriate School Principal
 - 2) If coach, activities leader => Activity Director
 - c. If satisfaction is not achieved at level b, concern may be brought to the President
 - d. If satisfaction is not achieved at level c, concern may be brought to the Chair, Board of Directors
4. At each level, there should be a timely, reasonable, respectful response to the concern.
5. If you are not directly involved in the concern, you are not the person to address it. Encourage those directly involved to bring the concern to the appropriate level.

Consequences for violations of parent concerns protocol

1. JPII Catholic Schools recognizes the administrators' authority to exercise discretion within the parameters of JPII Catholic Schools' policy.
2. The failure to respect personal dignity and/or the principle of subsidiarity (not following the appropriate chain of command and thus involving a higher level too soon in the process) can damage the bonds of communion in the school community. Repairing and restoring the bonds is needed in those times.
3. Consequences for violation of this protocol may range from restorative steps (apologies, retraction of words, correction of actions) to permanent expulsion of the students for the most severe violations.

STATEMENT ON HUMAN DIGNITY

Shanley High School is committed to the pursuit of truth and the promotion of the message of hope contained in the Gospel. Christ is the law by which all other laws are to be judged. To prepare students for this world and the next, Shanley High School teachers and staff work in partnership with parents and families with fidelity to the Gospel of Christ as reflected in the teachings and traditions of the Catholic Church. To that end, our first and foremost belief is that all persons have been created in God's image. This truth permeates every facet of the school community and from it flow two basic assumptions: the highest human calling is to love and to be loved; and the whole person is to be cherished, developed, and cared for.

Catholic education is founded upon a sound Christian anthropology, which describes the human person as having a harmony of the body and soul; and being made in the image and likeness of God. At Shanley High School, we strive for complete formation of the human person including the development of all the human faculties, the total person, mind, body, and soul. To that end, all persons are to be welcomed, respected, valued, and loved: "This is my commandment: love one another as I love you."

Shanley High School commits to providing a safe environment that allows students to flourish academically, physically, and spiritually and will provide an education and resources consistent with Catholic teaching. As students grow in their understanding of their identity and sexuality, they will receive guidance and parameters founded on the truth that each person, as male or female, is created in the image of God and redeemed by Jesus Christ. Students will be taught respect for the human person, recognizing the importance of chastity as they discover their identity as children of God. Shanley High School, therefore, will not tolerate direct or indirect harassment, intimidation, or bullying of any person or actions by students that exhibit self-righteousness, deliberate offensiveness, or condemnation of anyone. Conversely, acts that condone or endorse morally wrong behaviors or activities that disregard the harmony of the body and soul, will not be tolerated. The inherent dignity of each student is rooted in his or her identity as a child of God, able to receive the fullness of redemption through the saving passion, death, and resurrection of Jesus Christ.

ACADEMIC GUIDELINES

*You shall love the Lord your God with all your heart, and with all your soul,
and with all your mind, and with all your strength. Mark 12:30*

Studying is the vocation of students. Bakers bake, teachers teach, students study. And just as the goal of a baker is not merely baking, but baking well, the goal of every student is not merely to study, but to study well. Thus, in order to do their work well, students at Shanley High School have certain academic responsibilities. These are listed below.

Before Class

- Prepare for class. Read and annotate your assignments. Do your homework.
- Get a good night's sleep and eat a good breakfast.
- Bring what you need for your class: your textbook, your completed homework, a pencil or black or blue pen, loose-leaf paper, and your planner.
- Use the restroom.

In Class

- Upon entering, greet one's teacher, take one's seat, begin one's bell work.
- Contribute to the class by asking appropriate questions, listening, and taking notes by hand.
- Exercise temperance and show consideration for other's academic needs. Don't distract others, behave poorly, interrupt or dominate the discussion.
- Record assignments in this planner.

After Class

- Complete all academic work as assigned, neatly and with pride.
- Seek help when needed. Meet with one's teachers before or after school.
- Study by reviewing notes.

Always

- Do your best. *"Whatever your task, work heartily, as serving the Lord and not men."* Colossians 3:23

GRADES

Grades are assigned in each class to indicate succinctly the quality of a student's work. Grades are not the goal of learning, but rather the goal is the academic formation of the student. Two students with the same letter grade might approach the subject very differently. Therefore, parents and teachers should find opportunities to discuss the character of the student's academic performance.

PARENT TEACHER CONFERENCES

To facilitate dialogue between parent and teacher, Shanley administration and faculty host parent-teacher conferences in October and February. Dates are posted on the academic calendar on page 6 and all parents are encouraged to attend.

SCHOOLGY & PARENTSWEB

Parents are encouraged to monitor the homework, quiz, test, and project grades for their children on a weekly basis using Schoology and ParentsWeb. Further, ParentsWeb can be configured to send out periodic grade

reports to a parent's email. Parents should address questions or concerns about particular grades directly to the teacher before reaching out to the guidance counselor or an administrator.

Information how to access Schoology or ParentsWeb is provided at the beginning of the school year. If assistance is needed, contact the school office.

REPORT CARDS

All report cards will be emailed to parents and students at the end of each quarter. A final report card will be emailed and mailed at the conclusion of the year.

COURSE CREDITS

A minimum of seven classes must be taken each academic semester for all freshman and sophomores, six classes for all juniors and seniors. Study hall is not considered a class in this case. A maximum of two study halls per semester are permitted. Each student shall have earned a minimum of 24 credits, including their religion requirements, for graduation.

Students may not substitute Shanley High School required coursework by taking that coursework at an area school unless they have failed the coursework at Shanley High School. They may then complete the coursework in summer school at a public school or retake it at Shanley High School. The elective courses offered at local colleges/universities are not to be substituted for the elective courses offered at Shanley High School.

All financial obligations must be cleared with the JPPI Catholic Schools Business Office before year-end report cards and diplomas are issued. Shanley does not allow early graduation.

See *Program of Studies* for details on course offerings.

GRADUATION REQUIREMENTS

Students are required to earn the following credits in order to receive a Shanley diploma:

Content Area	Credits
English	4
Religion	4
Math	3
Science	3
Social Studies	3
Physical Education (PE 9, Health 9)	1
Fine Arts, Foreign Language, Career & Technical Education	3
Elective Courses	3
Total	24

Required courses listed above for graduation must be taken at Shanley High School.

The mission of Shanley High School is to provide an opportunity for her community to grow spiritually, academically, and socially in a Christ-centered environment based on Catholic tradition. Therefore, all students are required to take religion in a classroom setting each semester they are enrolled. If a student transfers in from another high school, he may not be required to complete all four credits of religion. He must take and pass religion each semester while attending Shanley High School.

GRADING SYSTEM

The Shanley High School use the following grading scale. Grading for each quarter and semester shall be done by means of letter symbols. These symbols, and the usual percentages for which they stand, are listed below. Teachers will provide students with the course syllabus explaining the expectations for that class, including objectives of the course, value of test scores, homework, quizzes, and all work, which makes up the final grade.

Grade	%	GPA Points	
		<i>Traditional</i>	<i>AP/DC</i>
A	93-100	4.000	4.500
A-	91-92	3.667	4.167

FINAL EXAMS

Final exams are an important component in a student's education. Final exams are worth 20% of the overall semester grade. Measures should be taken to guarantee student attendance at final exams. If parents need to have their student excused during final exam days, they must notify the school principal in writing no later than one week prior to the expected absence. Students are then required to make arrangements with their instructors for completion of the final exam prior to their departure. Failure to follow this procedure may result in students receiving a failing grade for their final exam.

1st Semester: All students are required to complete 1st semester final exams.

2nd Semester: Students may earn an exemption from 2nd semester final exams by having a B- (82%) or higher on their second semester grade (3rd & 4th quarter average) by 4:00 p.m. one week (7 days) prior to the first day of finals.

Students will take 2nd semester final exams regardless of grade if:

- Student has a total of ten (10) tardies for all classes combined for the entire year.
- Student has any unexcused absence.

Courses that are solely one semester in length (e.g., POD, Senior Religions, etc.) will require 2nd semester students to take the course final exam.

Students exempted from 2nd semester exams may elect to take the exam in order to improve their grade. Should this occur, the final exam results will only maintain or improve their current grade going into the exam and cannot reduce it.

FAILURE OF YEAR LONG COURSE

All courses within the curriculum shall carry a unit of one-half credit. To receive credit for a completed course, the student must receive a final grade of no less than a D-. Students who fail first semester of a class may not be allowed to continue in the second semester of that class. Final decision will be made by the administration.

Other required subjects which are failed must be made up by repeating the subject the next year, by taking the course in summer school, or the following semester. A student will not receive credit for a course with a grade of F at the end of any official grading period. A student may correct the F grade for credit and/or total GPA in the following ways:

1. **Summer School:** Shanley High School will accept a passing summer school grade to enable credit to be applied for a course where a student received an official grade of F at the end of a semester. The summer school grade will be averaged into the student's cumulative GPA. The original F grade will remain on the transcript but will not impact GPA. All summer school courses must be approved by the principal prior to the taking of the class if a student wishes to receive credit for it.
2. **Retaking the same course at Shanley:** A student may enroll for a second time in the same course at Shanley to correct an official grade of F, but not to get a second credit in the same course. A passing grade in this instance will apply for both credit and calculation towards GPA. The original F grade will remain on the transcript but will not impact GPA.

INCOMPLETES

Incompletes may be given in unique circumstances with principal approval. Incompletes must be cleared up within two weeks of the conclusion of the term. Assignments not completed will be graded as is.

EXCUSED ABSENCE MAKE-UP WORK

Upon returning to school following an excused absence, students are required to have previously assigned work completed. For example, if the student was present on a Wednesday when the assignment was given, absent on Thursday, and back to school on Friday, the Wednesday assignment should be completed for Friday. Students need to access Schoology and teacher lesson plans to print any handouts or assignments that are missed while absent. Teacher discretion will be used in all instances of excused absence.

Students are required to take exams and quizzes according to schedule. Students should refer to the course syllabus for specific guidelines. Teacher discretion will be used in all instances.

DROP-ADD GUIDELINES

When students believe it is absolutely necessary to change a course, they must petition for a course change within five class days of the start of the semester, which includes discussion and permission of the drop from the student's parents, course instructor, and administration. Year-long courses can only be dropped at the beginning of the first semester, as these courses take both semesters to complete. Elective AP courses are a year-long commitment.

WITHDRAWAL FROM CLASS

To withdraw from a class, a student must complete a withdrawal form obtained from the counselor and signed by the parent/guardian and teacher before permission can be granted. The decision to withdraw is granted based on information obtained from the teacher and counselor. Students must remain in class until the withdrawal form is complete and approved by an administrator. Any withdrawal from class after the first two weeks of the semester will result in a withdraw/fail or a withdraw/pass. A withdraw/pass will have no impact on GPA. A withdraw/fail will count as an F when calculating GPA and will affect academic eligibility. Class withdrawal deadline (process must be complete): one (1) week prior to final exams for that semester.

ADVANCED PLACEMENT / DUAL CREDIT COURSES / ONLINE COURSES

The Advanced Placement (AP) Program, part of College Board, encourages high schools to offer challenging, college-level work to highly motivated, qualified students. The expectation is that the student will take the national AP exam in the spring and pay the exam fee. Depending upon the student's score, college credit may be earned. The AP program is accepted at many colleges and universities. Students who are involved intensely with several co-curricular activities and responsibilities, have attendance problems, or are not in good standing may not be approved for AP classes.

The Dual Credit (DC) Program allows juniors and seniors to enroll in university dual credit courses taught at Shanley High School. Students who enroll in university approved dual credit courses must pay the fee but earn college credit and high school credit at the same time.

Enrolling in an AP, DC, or advanced level course is based on the following three criteria: the student's standardized test scores, academic performance in previous classes (generally a 3.0 cumulative GPA or higher), and teacher recommendation.

Only Sophomores, Juniors, and Seniors will be allowed to take AP or DC classes at Shanley or other area schools. Students will not be allowed to take AP/DC classes at other institutions when that class is offered as an option at Shanley. Administration will make the final decision on AP/DC enrollment.

Shanley High School offers a limited number of online classes through the North Dakota Center for Distance Education (NDCDE). These classes are arranged using the student's study hall as a class time. They are to be

completed during the normal semester time frame. Completed online classes receive the same credit as regular Shanley classes. All online classes offered through NDCDE require that students pay a fee for the class.

ACADEMIC LETTER WINNERS

The student will receive a letter, Shanley "S", graduation year numeral, and a Lamp of Knowledge badge.

1. All students earning a weighted cumulative GPA of 3.60 or above would earn an academic letter.
2. Weighted cumulative GPA's will be checked at the conclusion of the academic year.

NORTH DAKOTA ASSOCIATION HONOR SOCIETY (NDAHS)

NDAHS is designed to promote scholarship, leadership, a sense of service to others and positive character in secondary students. The following list represents the minimum requirement for an invitation for membership to the Shanley High School Honor Society:

1. Membership is limited to juniors with a 3.60 weighted cumulative GPA, after the fifth semester.
2. Eligible students are required to apply, prior to established deadlines.
3. Prospective and active members are required to adhere to the JPPI Catholic Schools Activities Eligibility Policy, No. 5101.

Members are required to attend the Shanley Induction Ceremony and are expected to be active participants in Shanley's chapter. Active membership is defined by attending scheduled meetings, documenting eight hours tutoring service per quarter within the school community and maintaining a 3.60 weighted cumulative GPA through the seventh semester.

SENIOR HONOR STUDENT

Seniors who have earned a 3.60 weighted cumulative GPA or higher after semester 1 of their senior year will qualify as an Honor Student. This distinction is noted in the graduation program and students will receive a gold honor cord to be worn at the commencement ceremony.

GENERAL INFORMATION

ASSEMBLIES

Assemblies are for the education, formation, and entertainment of the entire school community. All students are to attend. Every speaker is entitled to respect and politeness. The use of cell phones and other electronic devices are not allowed during assemblies. Skipping an assembly will be treated as an unexcused absence from the class preceding the assembly.

The sacred liturgy is a special form of assembly and is required of all students, both Catholic and non-Catholic alike. It requires one's full attention, participation, and reverent respect. Missing a liturgy will be treated as an unexcused absence from the class preceding the liturgy.

BACKPACKS

Backpacks are to be used to carry materials to and from school but not between classes. Students cannot carry backpacks during the school day unless other arrangements have been made with the school principal. School personnel can search any backpack used during the school day without prior consent.

BEFORE & AFTER SCHOOL GUIDELINES

When arriving at school in the morning, students should enter the building immediately. Students should not loiter in the parking lot, locker rooms, or anywhere else on school grounds.

Students are expected to conduct themselves properly after classes have been dismissed, just as is expected of them during the regular school hours. Students should refrain from running in hallways or on stairs, and from making excessive noise. Those students not involved in school sponsored activities, school detention, or after school studying should leave the building no later than 4:00 p.m. Those students involved in activities sponsored by the school should leave school immediately following the conclusion of those activities. For school security and safety reasons, the academic area of the building is closed to students before 7:00 a.m. & after 4:00 p.m.

BUS RULES AND REGULATIONS

Students who ride school buses are expected to behave in a courteous manner. Students who violate rules of conduct may lose bus privileges. Consequences for violations that occur on the busses will also take place once administration is notified.

CAFETERIA / COMMONS AREA

The commons area at Shanley High School serves the dual purpose of a student commons as well as cafeteria. Students are expected to keep this area clean and inviting. Decorum of a general respect should be maintained at all times.

Hot lunch is served daily in the commons, unless otherwise noted. All food must be eaten in the commons and students are expected to clean up after themselves. No trays are to be taken out of the commons. Students are expected to display good table etiquette and positive behavior during lunch. With the exception of seniors with privileges, students are expected to remain in the commons during the duration of their scheduled lunch time. The Federal Hot Lunch program prohibits fast food items from being brought into the school's lunchroom. Application forms for free and reduce-price meals are available throughout the year by calling the JPII Business Office.

CELL PHONES

Cell phones are prohibited from being used in classrooms during the entire duration of the class period in order to foster a more focused and concentrated academic atmosphere. Phones used in violation of this expectation will be confiscated by the teacher, turned into the office, and returned at the conclusion of the school day. Repeated violation of this policy can result in detention, or the phone being confiscated for an additional day. Personal headphones, ear buds, or other similar devices are not permitted during the school day.

CHANGE OF ADDRESS & FAMILY STATUS CHANGES

Parents are asked to notify the school office as soon as possible of any change in address or phone number of a student, parent (home or business), a person to notify in case of emergency, or any changes in the family such as divorce, guardian, or custody arrangements.

CUSTODY

JPII Catholic Schools presumes that both biological parents have access to their children unless a parent provides legal evidence of sole custody rights. It is the custodial parent's responsibility to provide the school with a court certified copy of a court order. Copies of legal documents (custody of child, court approved guardianship or tutorship, or court approved visitation rights) must be on file in the student's cumulative file. Unless a court has ruled otherwise, non-custodial parents have the right to copies of their children's academic records and receive school communications. Custody matters between parents or guardians are to be settled off campus.

DANCE REGULATIONS

Classes and organizations may sponsor dances with the permission of the class/organization advisor and approval of the principal. The designated sponsoring organization of each dance is responsible for clean-up and set-up. This includes getting keys, cash box, chaperones, and security officer.

Dances are planned for Shanley students only. If a student wants to bring a non-Shanley guest, the student-host must complete and submit a guest admittance form in advance. Guests can be no younger than ninth grade and may be no more than one year out of high school or 19 years of age. The school administration reserves the right to prohibit the admission of a guest to a dance.

The doors to the dance will close one hour after the start time. After a student has been admitted to the dance, once he/she leaves, he/she is not permitted to return.

JPII Catholic Schools' policies regarding tobacco, alcohol, and other prohibited substances will be enforced (see the policy later in this handbook for more details). A security officer will be present at school dances. The school possesses an alcohol sensor, which will be used upon admittance at all dances, on or off campus.

A minimum of eight chaperones will be present at the dance, four of whom are school staff. All chaperones need to be approved by the advisor of sponsoring group and have current volunteer status. Dance practices that are potentially dangerous (crowd surfing, body slamming, partner flips, etc.) or disrespectful of personal dignity (grinding, groping, etc.) will not be allowed. Disorderly or belligerent behavior is grounds for the student's removal from the dance. The dance advisor will attempt to notify the student's parent(s) before the student is removed if deemed appropriate by the advisor.

DANCE & PROM ATTIRE

Shanley Deacons are in a constant pursuit of virtue, including the virtue of modesty, which stems from temperance. Modesty allows one to bring out the best in oneself and those with whom he interacts. It disposes one to share what is necessary and resist unveiling what should remain hidden. Modesty is not simply about covering up the body, but rather presenting oneself in a manner that does not obscure his or her dignity. Therefore, in the pursuit of modesty, Shanley High School details the following expectations for prom attire.

Boys

- Boys must be in formal evening attire that would include tuxedo, suit with a tie, or sport coat and slacks with a tie.
- Coat and tie may be removed during the dance, but dress shirt must remain on and buttoned.

Girls

- Dresses cannot be open in the back lower than the elbow, and no plunging necklines or cleavage showing. All mesh must be lined; nude mesh not permitted. No side cutouts permitted.
- Two-piece dresses are permitted, but cannot reveal more than an inch of the midriff as the arms hang down.
- Dresses should be no more than 5 inches above the knee. Slits cannot run higher than mid thigh.

Note: If the gown has bare shoulders, an opaque shawl or covering needs to be used while in church.

When dressing for dances besides prom, the above guidelines serve as a helpful starting point, including dress length and buttoning one's shirt. Common expectations of modesty for a Christian lady and gentlemen are always expected, such as:

- Clothing should be in good repair, free of tears, holes, or fraying.
- Clothing should be free of any wording or imagery that is offensive, sacrilegious, or unbecoming of a Catholic high school student.
- No formfitting pants such as tights or yoga pants may be worn without additional layers, such as a skirt.

It is the responsibility of the Shanley student to ensure his or her guest from another school is aware of and abides by the Shanley dance attire policy.

EMERGENCY PREPAREDNESS

At St. John Paul II Catholic Schools, the safety and well-being of our students and staff is a high priority. That is especially true during school emergency situations. To provide an effective response to a school emergency, JPII Catholic Schools has developed an Emergency Response Plan. The Plan works in conjunction with the various emergency agencies in the region as well as other schools' plans in the metro area. These plans are reviewed annually and as needed following an emergency.

Throughout the year, each school conducts training and drills to prepare students and staff for possible emergency situations. Some drills and preparations are only practiced by the staff during professional development time. These exercises prepare staff and students to act quickly and help minimize fear during an actual emergency. Students and/or staff will participate in fire and lockdown drills as well as evacuation and sheltering procedures. Although standard protocols and procedures provide the basis for our response, our response to an emergency is greatly influenced by each specific situation.

Besides regular safety inspections and periodic review of security procedures, the school buildings will remain locked during the school day with visitor entrances controlled. For security reasons, certain components of our emergency response plans are not publicly available.

During an emergency, the school phone system may not be accessible. Typically, parents will be alerted to emergency situations through the Parent Alert System.

FIELD TRIPS

From time-to-time students are excused from classes to attend field trips or partake in other school-related activities. Students with poor attendance or those who are experiencing academic or behavioral problems may be denied the right to participate by a teacher or the principal. Students will also be required to be in uniform unless other arrangements are made with the administration.

JPII Catholic Schools will provide transportation for the field trip. Parent/Guardian consent for all field trips is done annually through the online Field Trip Permission sign-off.

FORMS OF ADDRESS

At all times, students should communicate respectfully with each other, staff members, parents, and guests through appropriate spoken, written, and non-verbal communication. Students are to address adults using the adult's proper title and last name, such as *Mr. Jackson* or *Mrs. Anderson*. When appropriate, students may simply address an adult by his or her title, for example *Father*, or *Sister*, or *Coach*.

LIBRARY MEDIA CENTER

The Library Media Center is open 7:30 a.m. until 4:00 p.m. daily. Students are asked to cooperate with the media specialist on all regulations pertaining to the use of the Library Media Center. Game playing on the computers in the Library Media Center is not allowed. The Library Media Center is a place for browsing, reading, research, study, and collaboration. A calm and studious learning environment is expected.

Library Media Center materials are to be returned within two weeks, or a renewal is to be obtained for an extension of time. No new books may be checked out until all overdue books are returned, and no report cards, transcripts or other information will be given to the student until the overdue books are returned. Reserve books may be checked out overnight and are due the first period of the following day. All overdue books and materials are subject to fines.

Absolutely no food or beverages, except water, are allowed in the Library Media Center.

LOCKERS

Lockers are the property of Shanley High School and are provided for the personal use of the students. It is the student's responsibility to keep the locker secured and locked at all times. The school cannot be held responsible for missing valuables or money. Any student's locker requiring repair due to student negligence may be assessed a fine. Students may not decorate the outside of their locker without the approval of school administration.

All lockers in the school and gym are the property of Shanley High School and may be searched at any time according JPII Policy 5007.

NURSE'S OFFICE

The nurse's role is to promote and maintain optimal health, prevent illness and injuries, and care for those with illnesses and injuries. Students are able to visit the school nurse only after they have received a written pass from their teacher. Going to the nurse's office in between class periods without a pass is not permitted. The student must check in with their classroom teacher and receive a note before coming to the nurse's office. The nurse will visit with the student and determine a treatment plan. Overuse or abuse of the nurse's office may result in a discussion with the nurse, principal, and possibly with the parents to rectify the problem.

PARKING LOT

All students must park appropriately in an outlined parking spot. Inappropriately parked vehicles will be subject to towing at the expense of the vehicle's owner.

PLANNERS

All students are required to bring their planners to every class as a means to record class assignments, track uniform & hall passes, have ready access to the handbook, and build basic organizational strategies. If planners are lost or in disrepair, a new one must be purchased from the office, and all passes are forfeited for the current quarter.

PROHIBITED AREAS

The central offices, staff lounge, kitchen area, maintenance rooms, and faculty parking area are off limits to the students. For safety reasons, students are not to be in the auditorium, weight room, or gymnasium unless accompanied by a teacher or coach.

PUBLIC DISPLAYS OF AFFECTION

Students must conduct themselves in a manner becoming of a Shanley High School student at all times. No public displays of affection are allowed on campus during the school day. This includes hugging, holding hands, kissing, and any other form of romantic behavior among students.

SCHOOL CLOSING

JPII Administration will consult with the local weather officials, the Fargo Police, and a visual observation to determine if school will be cancelled or start late. Whenever the JPII Catholic Schools need to close due to severe weather or unforeseen circumstances, the automated ParentsWeb Parent Alert system will be used to communicate this information by phone and text. Social media and local news stations will also carry the information. As always, if a parent believes it is unsafe for their child to come to school on a bad weather day, he or she should not hesitate to make the decision to keep their child home, but the school should be notified.

SCHOOL / PARENT / STUDENT COMMUNICATION

The following vehicles are used to communicate school information to parents and/or students:

- School Calendar
- Weekly Newsletters
- Back-to-School Events
- Report Cards
- Parent/Teacher Conferences
- Shanley Web Site: www.jp2schools.org, click Teachers and Staff to see teacher and staff email addresses

- The activities calendar – Lists SHS Activities (www.easterndakotaconference.org)
- ParentsWeb/FACTS - class grades, attendance, lunch account balance
- Schoology – teachers’ lesson plans, handouts/worksheets, online textbooks (if available)
- Automated parent alert messaging system

SECURITY CAMERAS USE

To maintain the balance between students’ right to privacy and JPII Catholic Schools’ efforts to provide a safe and secure environment for staff, students, and the general public, JPII may use security cameras in buildings, on school grounds, and in buses. The placement of these cameras will be in public areas where there is no reasonable expectation of privacy.

Any video recording used for security purposes in school buildings, property, or buses used to transport students is the sole property of JPII Catholic Schools. The President or his designee shall be the custodian of such recordings. Any video data used as evidence shall be duplicated in a forensically sound manner, placed on read-only media, and secured. Files not used as evidence will be kept for twenty days before being overwritten.

Any requests for viewing such files must be made in writing to the President or his designee. Such requests will be reviewed in light of confidentiality issues and the Family Education Rights and Privacy Act. If permission to view is granted, the viewing must occur in the presence of the custodian of the record. Under no circumstances will the video be duplicated and/or removed from JPII Catholic Schools unless in accordance with a court order and/or subpoena.

SENIOR PRIVILEGES

All seniors in good standing are allowed to leave campus during their study hall and lunch period, only after a parent permission slip has been returned to the office. They must sign out in the designated area prior to leaving. If signing out, they must leave campus. They are not permitted to remain in other areas of the building or campus. If their study hall falls the period prior to or the period following their assigned lunch they may sign out for both periods. If the student does not sign out, they must report to their scheduled study hall. Seniors may have privileges revoked because of breaches of school conduct (e.g. excessive tardies) or academic deficiencies. Seniors are expected to be in class at all times.

SIGNS & ADVERTISING

Signs may not be posted in the school building without prior consent from the administration.

SPECTATOR EXPECTATIONS

Students who attend any co-curricular activities are expected to display good sportsmanship and act in an appropriate manner. We expect our students to place their greatest energy into cheering for the Deacons rather than cheering against the opponent. Any student who uses profane language or cheers, displays inappropriate signs, makes inappropriate remarks to the officials or opposing team, or interferes with the activity or event may receive a suspension from activities and will not be allowed to attend any events during that suspension. All parents and other guests are held to the same expectations.

SHANLEY HIGH SCHOOL RELIGION PROGRAM

"Come, follow me." (Matt 19:21)

"It is Jesus who is 'the way, and the truth, and the life', and Christian living consists in following Christ, the sequela Christi." (St. John Paul II, *Catechesis Tradendae*).

Our mission is to inspire excellence by teaching the total person and fostering the following of Christ as taught by the Catholic Church.

Shanley High School exists in order to "foster the following of Christ". Success at Shanley High School should be measured above all by fidelity to that guiding mission, whether in the classroom, the chapel, the athletic arena, the hallway, or in other activities. This fundamental mission, which embraces the full truth about each person's transcendent dignity and destiny, is the essential dimension of Shanley High School. All students, staff members, and parents are called to share in this mission.

EXPECTATIONS

Religion Classes: All students are required to take a Religion class for each quarter of attendance at Shanley. Formal religious instruction aims to study the Mystery of Christ in all its dimensions and to point students toward intimacy with Christ. The JPII Catholic Schools Religion Curriculum correlates to the Catechism of the Catholic Church, "a sure norm for teaching the faith" (St. John Paul II). Religion classes are held with the same frequency and duration as other classes and use the same general standards and principles.

Prayer: *"Pray at every opportunity in the Spirit."* (Ephesians 6:18)

The follower of Christ heeds Saint Paul's advice about prayer. At Shanley, therefore, our school day is punctuated with prayer: Morning Prayer, classroom prayer, daily chapel, all-school Masses and prayer services, and devotional options such as the Rosary, Eucharistic Adoration, Benediction, and Stations.

In all these times of prayer, the expectation is active participation to the best of one's ability. This means, first of all, developing an attitude of respect and reverence at prayer: quiet, attentive listening, good posture, asking for the Lord's help to pray worthily, etc. For some prayers we will simply listen to a leader. Some traditional prayers, we will say together; please participate. And some prayers require an active spoken or sung response; please do your part.

The Eucharist: The liturgy is the summit toward which the activity of the Church is directed; it is also the source from which all her power flows. (Vatican Council II) Because of its crucial importance in fostering the following of Christ, the Eucharist is celebrated regularly at Shanley. The following are expectation of all students at Mass: genuflection on entering and exiting, the use of holy water, and an attitude of respect, reverence, and active participation. Gum-chewing, slouching, visiting, doing homework, sleeping, etc....are not acceptable behaviors at liturgy.

Sacrament of Reconciliation: The Chaplain will offer daily opportunities for reconciliation and all school reconciliation each semester. Students and staff may also request an appointment time with the Chaplain to receive this sacrament.

The Chapel: The chapel is a place of prayer, worship, and meditation. As such, all are welcome and encouraged to use it for those purposes. Other, non-religious uses of the chapel are generally discouraged

and would need prior approval from the Chaplain's office. The Blessed Sacrament is reserved in the Chapel's tabernacle. Christ's Real Presence in the Blessed Sacrament is a special source of graces and blessings for his followers—as all the saints' attest. You are invited to visit Jesus there. Also, Eucharistic Exposition and Adoration will be held during the school day on Fridays. Daily visits to the Chapel are highly encouraged.

Chaplain: The Bishop of the Diocese of Fargo assigns a priest as fulltime chaplain to minister to the spiritual needs of the school, including the students, teachers, and parents. He prepares all liturgical services and retreats, and hears the confessions of the students. He arranges for weekly adoration for students and parents, and supervises the Teen for Life club. He builds a school community where the name of Jesus Christ is known and loved. He ensures the right ordering of God, family, and community, and encourages the school community to live the Catholic faith vibrantly and to continually deepen one's fidelity to Jesus Christ.

Retreats: A retreat is a time to get away from our ordinary, daily routines to pray and reflect on our lives in the context of faith. A retreat is scheduled for each grade. All class members are required to attend. Students who miss the scheduled retreat will be required to do some form of make-up. If the work is not done, an incomplete will be given at the end of the quarter and remain until make-up requirements are met.

Liturgical Seasons: We will observe the integrity, meaning, and purpose of the liturgical seasons and holy days as the Church unfolds the Mystery of Christ through the liturgical year.

Service: Our school nickname (The "Deacons") is derived from the Greek and literally means "serve" or "those who serve" (Acts 6). The Catechism tells us that Jesus "made Himself the 'Deacon' or servant of all" (CCC 1570).

In light of our school's mission, identity, and nickname, we expect our students to excel in serving God and neighbor. "Deacon Day" is held each year to serve and meet various needs in our area. In each year of Religion class, students are required to complete service hours. Failure to complete the expected number of service hours in time will result in a failing quarter grade in that Religion class. All Seniors will do a wide range of service projects in the home, school, community, and church through the Charity and Justice Class. Many other school clubs, organizations, and activities also give very generously to those in need throughout the year.

Thanks to all students for the service, you give. We appreciate your generosity. May you become ever more the image of Christ, who came not —to be served, but to serve (Matthew 20:28)

ATTENDANCE GUIDELINES

DAILY ATTENDANCE PROCEDURES

Parents/Guardians are to notify the school between 7:30 and 8:15 a.m. if their child will be absent. If the student is absent and the school has not received parental notification, the parent/guardian will be notified. Notes or calls from persons other than parents or legal guardians will not be accepted. Parents are asked to notify the school office whenever they will be out of town and to inform the school regarding the adult who will be authorized to act as legal guardian in the parents' absence.

A student having been absent for any reason must report to the school office upon arrival to school to submit a note from the doctor/dental office or from parent/guardian for an illness.

Any student who arrives after their first class starts must check in with the school office. Similarly, any student who leaves school before the conclusion of the day must sign out in the school office. Students who do not sign in and out will be subject to disciplinary action.

GENERAL ATTENDANCE POLICIES

JPII Catholic Schools policy reflects that 10 absences are allowed per semester, and a note from a physician is required if the student misses three (3) days in a row. If a student is absent seven days or tardy ten times in a semester, the student and parent are to attend a meeting with the principal and other personnel as needed to develop a plan for regular attendance (absences due to activities are not counted). A student with excessive absences may earn a failing grade for the classes missed. The student is responsible for making up all assignments missed while absent.

Appointments during the school day should be avoided whenever possible. If an appointment is unavoidable, the time should be scheduled when a minimum of class time will be missed. A note from the medical office is required upon return to school when absent for three consecutive days. Scheduling appointments during sacred liturgies is dishonorable and to be avoided.

Taking vacations or family trips outside the scheduled holidays on the school calendar frustrate peaceful, consistent academic progress. In the rare event that a student must be absent due to a family vacation (or for other reasons), the parent/guardian will notify the school office at least one week in advance. It is the obligation of the student to notify the teacher and clarify their obligations prior and during the absence. Teachers may indicate whether or not extended absence will cause a serious problem in the student's academic development. Parents are asked to carefully consider the academic consequences of the absence if one or more teachers suggest that problems would develop from the absence. The student is responsible for making up all assignments missed while absent. Teachers will determine the time and date for submittal of assignments, which may include due dates prior to departure.

Students who fail to follow these procedures may receive no academic credit for time missed.

It is the policy of Shanley High School that the administration shall determine if a student may be excused from classes. A request to be excused should be made by the parent/guardian, and the school will determine the need to excuse the student based upon information gathered on a case-by-case basis. Those that are determined by the school to fit one of the categories below will be given an excused absence.

Excused absences include:

1. Illness
2. School-sponsored activities
3. Funerals
4. Sacraments, retreats, or church activities
5. Requested family vacation approved by administration-1-week notice required
6. Family emergencies
7. Required court appearances
8. Doctor, dentist, orthodontist, or other medical appointments. For excessive absences, the student may need to bring a note from the doctor/clinic.
9. College visits
10. Inclement weather

UNEXCUSED ABSENCES

Additional absences from school are considered unexcused. Examples include, but are not limited to, oversleeping, haircuts, senior photo shoots, leaving school without permission, and absence from school without administrative authorization. Consequences may include, but are not limited to, loss of senior privileges, detention, in-school or out-of-school suspension, or loss of second semester final exam exemption. Teachers are not required to provide make-up material, including quizzes, exams, or labs for students whose absences are considered unexcused. Any work turned in late due to unexcused absence may receive partial or no credit.

If a parent's or guardian's note or phone message explaining an absence is not turned in to the office within three days of an absence, it becomes permanently unexcused as part of the student's attendance record.

The administration will determine all excused and unexcused absences. Students called out of school without explanation or for reasons not listed above are designated as "Parent Request" unexcused absence. All exceptions to this policy will be determined by the administration.

ABSENCE DUE TO SCHOOL SPONSORED ACTIVITY

Students who represent JPII Catholic Schools by participating in a school-sanctioned activity will be expected to make up missed work. If a student is participating in a school sanctioned activity that requires them to miss any class time, they are required to notify their teachers at least one day in advance to make the necessary arrangements with their teachers. When missing classes, students are expected to keep pace and return to the class's regularly scheduled tasks for that day, which include taking tests and quizzes. While absences due to participation in school sanctioned activities are not recorded on the student's permanent daily attendance record, students who fail to follow the above stated procedure will receive no academic credit for time missed.

Any student participating in any co-curricular activity must meet their academic needs by attending school on a regular basis. The students participating in co-curricular activity will adhere to the following guidelines.

1. A student who misses any part of the school day of a co-curricular event or practice will not be allowed to participate in any capacity that day. Exceptions to this regulation include previously scheduled doctor's appointments and previously approved absences by the principal or activities director. In general, this policy will be enforced daily by the activities director and coach/advisor of each co-curricular activity. Students with poor attendance may be denied the right to participate by the principal or activities director. This is to include such things as a contest, practice, meeting,

and/or performance of any kind. A student who misses any part of the day due to illness will not be allowed to participate in co-curricular activity.

2. Students with poor attendance may be denied the right to participate in co-curricular activities at any time by the school administration.
3. Students missing class due to behavior issues will not be allowed to participate in any capacity that day.

Students arriving more than ten minutes after class has begun will be considered absent-unexcused for that class period. Students arriving more than ten minutes late or unexcused to any class on a particular day will not participate in any co-curricular activities that day.

ABSENCE DUE TO SUSPENSION

Students who are suspended from school will not be allowed to participate in co-curricular activities in any capacity (practices, contest, meeting, or performances of any kind) until reinstatement in school has occurred and notification is given to the coach/advisor in that co-curricular activity. Further or continued suspension from co-curricular activities may occur if the severity of the offense warrants. The school principal, activities director, and the coach/advisor may meet to determine this.

TARDY REGULATIONS

Students are expected to be on time for all classes. Students arriving at school after classes have begun should report to the school office. In this instance, students must obtain an "Admittance Slip" for class admittance. A total of ten tardies for all classes combined for the entire year will result in a student taking all final exams during the second semester regardless of current grade. Any tardies beyond the ten will result in further disciplinary consequences. Excessive tardies may necessitate a conference with parents, student, and administration to determine the next course of action.

SHANLEY UNIFORM POLICY

The Shanley High School uniform policy has multiple goods it strives to foster: to support a safe and disciplined learning environment, to limit external distractions to learning, to encourage positive student behavior and modesty, to lessen the impact of socioeconomic differences, and to encourage students to experience a greater sense of school identity and belonging. The uniform policy will be successful only to the extent that students, parents, and faculty each accept responsibility for enforcement of the policy. Administration and faculty appreciate everyone's efforts toward that goal.

Upon entering the school building, all students will follow the uniform policy until the end of the school day. Students in violation of the uniform code will be asked to conform. Students who are not or will not conform to the policy will not be admitted into the classroom and will be sent to the administration for appropriate action, which may include sending the student home to change clothes. The principal has the final decision on what meets the uniform policy. Senior privileges will not exclude students from following this policy.

ANTI-BULLYING/CYBER-BULLYING POLICY NO. 2004

Bullying/cyber-bullying is strictly prohibited by JPII Catholic Schools on school premises, at any school-sanctioned or sponsored activity or event on and off campus, in any vehicle used for official school purposes, through technology, or electronic media. *More importantly, regardless of where and/or how the act of bullying occurs, if it results in a substantial interference with the bullied student's educational opportunities, those actions may be subject to the procedures set forth in this policy.*

Retaliation or reprisal against a victim of bullying or anyone who witnesses, reports, or provides information on acts of bullying is also strictly prohibited.

All incidents of bullying will be addressed and/or viewed in accordance with Catholic teachings and/or beliefs.

Definition of Bullying: Bullying is conduct that is so severe, pervasive, or objectively offensive that it substantially interferes with the student's educational opportunities, places the student in actual and reasonable fear of harm, places the student in actual and reasonable fear of damage to property of the student, or substantially disrupts the orderly operation of the school. Bullying is the use of aggression with the intention of hurting another person, resulting in pain and distress to the victim.

Without limiting the definition, bullying can be:

- Emotional - being unfriendly, excluding, tormenting (e.g., hiding books, threatening gestures)
- Physical - pushing, kicking, hitting, punching, or any use of violence
- Racist - racial taunts, graffiti, gestures
- Sexual - unwanted physical contact or sexually abusive comments focusing on issues regarding sexuality and/or sexual orientation
- Verbal- name-calling, sarcasm, spreading rumors, teasing

ANTI-HAZING POLICY NO. 5010

Hazing or willing participation in hazing activities will not be tolerated by JPII Catholic Schools. Students, personnel, and volunteers who are aware that hazing is occurring, or has occurred, are required to report any information immediately to Staff, Administration or Chaplain. Administration shall deal with reports of hazing promptly and according to specific reporting requirements.

Hazing means any act, including acts via social media, committed by a person whether individually or in concert with others, against a student in connection with pledging, being initiated into, affiliating with, holding office in or maintaining membership in any organization that is affiliated with JPII Catholic Schools; and that is intended, or should reasonably be expected, to have the effect of humiliating, intimidating or demeaning the student, or endangering the mental or physical health of a student.

- Involvement in hazing includes but is not limited to soliciting, directing, aiding, or otherwise participating actively or passively in such acts
- Hazing occurs regardless of the consent or willingness of a person to participate in the activity
- The prohibition of hazing applies both on and off campus
- Because it is not always clear to individuals which activities are unacceptable and constitute hazing, student leaders and members of student groups are strongly encouraged to consult with advisors, coaches, or other school officials responsible for the program or activity
- Would you feel comfortable telling your parents about this activity? If no, you may want to ask a school official
- Are you hiding the existence, or part of the existence, of this activity? If yes, you may want to contact a school official
- Would you be personally willing to participate in every element or role within this activity? If no, you may want to contact a school official

Hazing can be a criminal offense as defined under North Dakota law. N.D.C.C. 12.1-17-10 provides:

Hazing. A person is guilty of an offense when, in the course of another person's initiation into, or affiliation with any organization, the person willfully engages in conduct that creates a substantial risk of physical injury to that other person or a third person. As used in this section, "conduct" means any treatment or forced physical activity that is likely to adversely affect the physical health or safety of that other person or a third person, or which subjects that other person or third person to extreme mental stress, and may include extended deprivation of sleep or rest, or extended isolation, whipping, beating, branding, forced calisthenics, over-exposure to the weather and forced consumption of any food, liquor, beverage, drug or other substance. The offense is a Class A misdemeanor if the actor's conduct causes physical injury. Otherwise, the offense is a Class B misdemeanor.

Consequences:

1. Students suspected of violating this hazing policy, including reprisals or retaliation, will be dealt with in accordance with the disciplinary procedures as stated in the Student/Parent Handbooks. The consequences may range from disciplinary probation, suspension (from co-curricular and athletic activities or from school), to expulsion, as well as criminal prosecution.
2. All reports of hazing shall be reported to law enforcement and to the Diocese by JPII Catholic Schools Administration.

IPAD USAGE SCHOOL ISSUED

The JPII Catholic Schools are committed to our Catholic Mission by providing an excellent education rooted in Gospel values. Powerful technology is already part of the daily lives of our students and is increasingly integrated into their social fabric and the culture of learning. By preparing our students to communicate and collaborate in an ethical and safe manner, we are preparing them for their future.

Equally important to our mission is the expectation of excellence in preparing students to learn and succeed in the 21st Century. 1:1 technology provides anytime/anywhere learning and opens doors to collaboration, problem solving, and critical thinking skills that students need to compete and contribute to our local and Catholic worldview. Additionally, any student suspected of being under the influence of any substance prohibited by this

On Campus/School Sponsored Activity Alcohol, Drug and Other Controlled Substance Use Violation

Possession and/or use of or being under the influence of alcohol and/or other drugs by students in any form (except by prescription and in accordance with JPII Catholic Schools Policy No. 5005-Medication Administration) is not permitted on campus or in the general vicinity of any campus before, during, or after school, or at a school sponsored activity. Any student who consumes, possesses, sells, supplies, gives away, distributes, or is under the influence of alcohol and/or other drugs on JPII Catholic Schools property is subject to immediate dismissal at the discretion of the Administration.

When documentation (see definition) is received and validated indicating that a violation has taken place on campus or in the general vicinity (see definition) the Administration will follow the procedures as outlined below. The first offense will result in the Administration imposing the following:

1. The student may be suspended for up to three (3) days at the discretion of the Administration and may be reported to law enforcement as deemed appropriate by the Administration.
2. The student will be sent home in the care of their parent(s)/guardian(s) after meeting with the Administration. The Administration will inform the parent(s)/guardian(s) that the student must participate in a minimum of three (3) meetings with an administrative approved staff member. Failure to participate in these required meetings and to follow any recommendations may result in dismissal from the JPII Catholic Schools.
3. The student will be readmitted only after participating in a re-entry conference involving the student, parent(s)/guardian(s), an administrator, and the school counselor. The result of the conference could be a recommendation that the student obtain a professional chemical dependency evaluation by an approved agency at parent/guardian expense. The parent(s)/guardian(s) and the student must agree to release the results of the evaluation to the school. Failure to obtain a recommended evaluation or to follow the recommendations of the chemical dependency agency, and/or conference may result in dismissal from JPII Catholic Schools.
4. At the discretion of the Administration, a student may be required to submit to a screening and/or verification process at an approved site, which may include urine analysis or other medically and legally approved screening processes, for an identified period of time at parent/guardian expense. Refusal by the student and/or parents to comply with this process will constitute a violation of this policy and the appropriate consequences will apply which may include immediate dismissal at the discretion of the Administration.
5. The student will be assessed for appropriate eligibility consequences for co-curricular participation under school policy and NDHSAA guidelines.
6. Parents and students may seek help and support for substance abuse concerns from the Administration. If a student seeks help for a substance problem before being cited for a violation of this policy, no disciplinary action will be taken, although at the discretion of the Administration certain processes outlined within this policy and procedures may still apply and NDHSAA rules will

still apply. Disciplinary action will be taken for failure to comply with the recommendations of the Administration or if the student violates the policy or the school receives notification of use. These steps will be taken in accordance with the Amnesty guidelines.

7. Additional consequences may be assigned as deemed appropriate by the Administration.

Off-Campus: Police and/or Other Verified reports of an Alcohol, Drug, and/or Other Controlled Substance Use Violation

When documentation (see definition) is received that an alcohol and/or other drug use violation has taken place off campus, the Administration will follow the procedures as outlined below. The first offense will result in the Administration imposing the following:

1. Contact the parent(s)/guardian(s) of the student and notify them that documentation of a violation has been received.
2. Schedule a parent-school conference involving the student, parent(s)/guardian(s), and the Administration to review the validity and severity of the violation and begin the steps involved with an Off Campus Violation.
3. The student will be required to participate in a minimum of three (3) meetings with an administrative approved staff member. Failure to participate in these meetings and/or follow the recommendations made, which may include a professional chemical dependency evaluation from an approved agency, as well as failure to follow subsequent recommendations stemming from an evaluation, may result in dismissal from JPPI Catholic Schools.
4. At the discretion of the Administration, a student may be required to submit to a screening and/or verification process at an approved site, which may include urine analysis or other medically and legally approved screening processes, for an identified period of time. Refusal by the student and/or parents to comply with this process will constitute a violation of this policy and the appropriate consequences will apply which may include immediate dismissal at the discretion of the Administration.
5. The student will be assessed for appropriate eligibility consequences for co-curricular participation under school policy and NDHSAA guidelines.
6. Parents and students may seek help and support for substance abuse concerns from the Administration. If a student seeks help for a substance problem before being cited for a violation of this policy, no disciplinary action will be taken, although at the discretion of the Administration certain processes outlined within this policy and procedures may still apply and NDHSAA rules will still apply. Disciplinary action will be taken for failure to comply with the recommendations of the Administration or if the student violates the policy or the school receives notification of use. These steps will be taken in accordance with the Amnesty guidelines.
7. Additional consequences may be assigned as deemed appropriate by the Administration.

Additional Offenses for Both On and Off Campus Violations

Additional offenses of this policy will result in review by the Administration to evaluate the future enrollment of the student in JPPI Catholic Schools. The Administration, consistent with the JPPI Catholic Schools Code of Conduct, may recommend additional penalties, probation, or dismissal from JPPI Catholic Schools.

Mere Presence: When a student asserts “mere presence” (see definition) for an off-campus violation, they will be required to prove their assertion to the Administration by seeking documentation from law enforcement officials, for example obtaining a “Breathalyzer” or field sobriety test, etc. Students should be aware that an intention to leave is not a defense, nor is being a “designated driver.” Students who have successfully asserted “mere presence” will be required to participate in one (1) meeting with an

administrative approved staff member and will be assessed for appropriate consequences for co-curricular participation.

Amnesty Guidelines: JPII Catholic Schools strives to provide an environment that promotes the physical, emotional, and spiritual development of its students. To that end, if a student not having first been caught in violation of this policy, approaches any staff member and requests assistance in dealing with life circumstances (including chemical use and abuse) that are impeding his or her growth and development, JPII Catholic Schools will waive the consequences which would otherwise be imposed for violation of this policy and related provisions contained in the Student Handbook. JPII Catholic Schools will mobilize all reasonable resources to assist the student and the student's family but will be subject to any and all consequences as defined in the North Dakota High School Activities Association (NDHSAA) constitution and by-laws.

However, if in the opinion of JPII Catholic Schools Administration the student seeking assistance did so for the purpose of avoiding consequences, (for example the student reaches the counselor's or principal's office to request assistance in advance of a report of a particular violation which otherwise would have come to the administration's attention) the student will receive assistance but will be subject to any and all consequences as defined in this policy, Student Handbook and/or NDHSAA rules and regulations.

1. Any student who is found to be in violation of this policy and has not chosen to seek assistance as described in the preceding paragraph, will be given access to assistance but will be subject to any and all consequences as outlined in this policy, Student Handbook and/or NDHSAA rules and regulations.
2. A student can expect that any personal problem he/she discusses with a JPII staff member will be confidential, subject to the welfare of the student or others. An exemption would be if the JPII staff member is called to testify in a judicial proceeding.

Reports of Tobacco Use: JPII Catholic Schools is a tobacco free community. The use or possession of tobacco (see definition) by students on campus/general vicinity of campus (see definition) and the illegal use off campus is not permitted.

Students who violate the Tobacco-Free School Environment Policy No. 2002 will:

1. Have their parents notified by the Administration for each violation.
2. Participate in a minimum of one (1) meeting with an administrative approved staff member.
3. The student will be assessed for appropriate eligibility consequences for co-curricular participation under school policy and NDHSAA guidelines.
4. Additional offenses against this policy will result in the student being required to complete a Tobacco Awareness/Cessation program approved by the Administration at parent/guardian expense. Documentation of completion of the assigned program must be provided in writing to the Administration within thirty (30) days of notification of any additional violation if so assigned.
5. Additional consequences may be assigned as deemed appropriate by the administration.

Activities Ineligibility: The following will apply to a student in grades 7-12 who is in violation of this policy and/or the NDHSAA guidelines: School Accountability, Period of Suspension, Summer Accountability, Leadership Role Ineligibility, Recognition-Awards Ineligibility, and Mere Presence.

School Accountability: Students participating in co-curricular activities will be held accountable for their choices regarding the use and possession of tobacco, alcohol, drug paraphernalia and/or controlled

substances for the entire school year. The use and/or possession of the above-mentioned substances during the school year will result in the implementation of the substance abuse policy.

Period of Suspension: Suspensions imposed under this policy begin when notification is given to the student and parents/guardian by the school administration. The period of suspension is outlined below. Suspensions carry over from one (1) academic year to the next, and periods of summer vacation are not counted towards satisfaction of suspensions. For example, if a student is suspended from activities for six (6) weeks under this policy beginning the last week of a school year, the student will be suspended for the last week of that school year, and the first five (5) weeks of the ensuing school year. Suspensions are cumulative through a student's academic career.

A suspension means that the student may not participate in any public events during the suspension and is not eligible to travel out of town with the team or group during the time of the suspension. However, a student may practice with co-curricular teams during periods of suspension.

Violations

1. First violation: Penalty will be a six (6) week suspension from all school co-curricular activities.
2. Second violation: Penalty will be eighteen-week suspension.
3. Third violation: The student is ineligible for all activities for a minimum of eighteen weeks, after which the student must apply for reinstatement.

Summer Accountability: Students participating in co-curricular activities will be held accountable for their choices regarding the use and possession of tobacco, alcohol, drug paraphernalia and/or controlled substances for the entire calendar year. The use and/or possession of the above-mentioned substance during the summer will result in the implementation of the above-mentioned policy. The period of summer vacation begins June 10th and will be deemed to end upon the commencement of the first NDHSAA practice in August. However, since the student is in violation of the substance abuse policy during the summer, a subsequent minimum two (2) week or two (2) contest suspension (whichever is longer) will go into effect during the student's next season of participation. The contest suspension rule will not be valid if a student does not actively participate in his/her next sport/activity season to completion. If the violation occurs during the summer, the suspension will be enforced from the first authorized date of practice for the next activity in which the student participates.

If a student does not participate at the beginning of the season and completes the season through its duration, the contest suspension rule will start again for the following season.

If the next season falls into the next school year, the contest suspension rule will be applied at that time. A second summer/ violation will result in a penalty in accordance with the NDHSAA rules for a second violation.

If a student is suspended from activities for conduct occurring during summer vacation, the suspension will begin as of the start of the next activity. For students participating in fall activities in which practices begin in August, the period of summer vacation will be deemed to end upon the commencement of pre-season practices.

Leadership Role Ineligibility: Any student who has a violation will not be eligible for a leadership role for a period of twelve (12) calendar months from the date the school is notified of or determines that there has been a violation. For purposes of this policy, "leadership role" includes, but is not necessarily limited to, election to Homecoming Court, class officer, Student Council, team captain, Student of the Quarter award,

Student Ambassador, chair or officer of any school club or activity, and participation in Deacon Leadership Team.

Recognition-Awards Ineligibility: Any student who commits a violation of this policy that occurs between the start of an activity's season and that activity's awards banquet, or who is suspended from participation in that activity at any time during its season on account of a prior violation of this policy, will not be awarded a letter, nominated for NDHSAA awards, or receive any other recognition/awards for that activity for that season. Participants will also not dress for the activity.

Mere Presence: If a student asserts and proves "mere presence" to Administration for an off-campus violation of this policy, they will serve a two (2) week or two (2) contest suspension, whichever is longer. If the violation occurs during the summer, the suspension will be enforced from the first authorized date of the practice for the next activity in which the student participates.

STUDENT SEARCH AND SEIZURE POLICY NO. 5007

Students may be subject to a search when the administration has reasonable cause to suspect that the student has in his/her possession or belongings any item that is perceived as illegal, harmful, dangerous, or property not deemed as their own. A search may take place while a student is at school, on school grounds, or at a school-sponsored activity and seizure of any items in question found may occur.

TOBACCO-FREE SCHOOL ENVIRONMENT POLICY NO. 2002

Smoking and/or the use of any tobacco products, including electronic cigarettes or similar nicotine delivery products, are prohibited in and/or on all JP II Catholic Schools vehicles, school buildings and grounds. This policy applies to staff, students, and visitors. In the event of a student violation refer to the Substance Abuse Policy on page 41.

Smoking and/or the use of any tobacco products, as mentioned above, are also prohibited at school events, whether on or off school property. This tobacco-free policy includes all events held on any JP II Catholic Schools property whether or not such events are sponsored by, or associated with the school, and all events sponsored by JP II Catholic Schools regardless of where such events are held.

WEAPONS POLICY NO. 5009

The use or possession of weapons and other items perceived as harmful on all JP II Catholic Schools property and at school related functions is prohibited.

SHANLEY/SACRED HEART ACTIVITIES HANDBOOK ACTIVITIES OFFICE

Shanley High School and Sacred Heart Middle School's Co-Curricular Activities extends the work of JPII Catholic Schools by offering another environment in which the education of the total person can be fostered to help students grow towards a deeper understanding of themselves and their role as followers of Christ. Our mission is accomplished through the teaching and practice of virtue and instilling "The Deacon Way."

The Deacon Way is a way of life that provides clear expectations for students, staff, and parents to participate in a life that exemplifies respect to God, self, and others. Through the study and practice of incorporating virtues into daily life we grow in faith, leadership, character, positive role model, academics, and sportsmanship. The Deacon Way is intended to provide a clear path to inspire excellence in all that we do.

"Real greatness is found in living for others; in being a servant to others. We call that the Deacon Way." Bishop John Folda, Diocese of Fargo

JPII Catholic Schools Activities strongly emphasizes respect, sportsmanship, good citizenship, student character, and virtue. As representatives of our schools, coaches, parents, teachers, staff, alumni, and student participants are expected to be good role models and to honor human dignity by treating others with respect.

We embrace the Catholic teaching that each person is created in the image and likeness of God and shares a fundamental human dignity. As a Catholic school, we strive to provide an environment dedicated to protecting and fostering the development of that dignity. It is through education in virtue and life of Grace that students learn how to exercise their God-given freedom responsibly. The highest virtue is charity, which God both requires and makes possible. "Here is my commandment," says Jesus, "that you love one another as I have loved you" (John 13:34).

St. John Paul II Catholic Schools expressly prohibits bullying in all forms, either by an individual or group of aggressors. We believe that developing a culture where the dignity of the human person is honored at all times is the most effective way of preventing instances of bullying among students. However, at times we fall short and instances where bullying is suspected, witnessed, or reported in the realm of Activities, the Policy No. 2004, Anti-Bullying/Cyber-bullying will be applied.

"The correct practice of sport must be accompanied by practicing the virtues of temperance and sacrifice; frequently it also requires a good team spirit, respectful attitudes, the appreciation of the qualities of others, honesty in the game and humility to recognize one's own limitations. In short, sports, especially in less competitive forms, foster festive celebration of friendly coexistence. While playing sports, Christians also find help in developing the cardinal virtues – fortitude, temperance, prudence, and justice." St. John Paul II

2. Violations occurring out of season or during the summer are enforced from the first contest of the next season of participation for the student during the following year. Students who elect to participate in any activity must remain in good standing and complete the season of that activity in order for that participation to constitute service of a suspension.

CONCUSSION MANAGEMENT POLICY NO. 5105

JPII Catholic Schools will follow the applicable North Dakota State Statutes for concussion management for all students who participate in a JPII Catholic Schools sponsored athletic activity. (See North Dakota Century Code, 15.1-18.2)

There are numerous provisions identified in the state law. One is a requirement that schools provide to student athletes and parents information regarding concussions incurred by students participating in athletic activities. Students and their parents can read this information on the Activities webpage. It is highly recommended that every student athlete and parent successfully complete the 20-minute National Federation of High School’s online course. *“Concussions in Sports-What you need to Know”* The course can be accessed at: www.nfhs.org

Athletes will be removed from activity if they show any of the following signs and symptoms related to a mechanism of concussion:

Headache	Mood Changes	Poor Balance
Feeling Tired	Blurred Vision	Nausea
Dizziness	Sensitive to Sound	Confusion
Loss of Memory	Irritable	Sensitive to Light

Only an Appropriate Health Care Professional (AHCP) can determine if an athlete has sustained a concussion. JPII Catholic Schools has designated a contracted Certified Athletic Trainers and/or any contracted attending physicians providing coverage at home games.

Return to Play Protocol

1. Athlete will be removed from activity for remainder of the day.
2. Athlete will be instructed to avoid physical activity, including PE class until given clearance by AHCP.
3. The athlete must be asymptomatic for 24 hrs. before they are given an exertion test and take the Post-Concussion ImPACT test.
4. If the athlete passes ImPACT/exertion test they are ready for light activity.
5. If they remain asymptomatic for 24 hrs. after light activity, they are ready for sport specific activity

6. If they remain asymptomatic for 24 hrs. after sport specific activity, they are ready for non-contact training drills and activity.
7. If they remain asymptomatic for 24 hrs. after non-contact training drills and activity, they are ready for full contact practice and activity.
8. If they remain asymptomatic for 24 hrs. after full contact practice and activity, they will be cleared for return to play.

Note: If the athlete becomes symptomatic during course of protocol, he or she will be re-evaluated by AHCP for clearance before restarting the Return to Play Protocol.

Clearance for Return to Play

1. All athletes that have sustained a concussion must go through the return to play protocol, even with physician clearance.
2. Only the JPII Catholic Schools AHCP can provide clearance for return to play.
3. Exceptions to above: A requirement that the student or student's parent obtain written authorization from health care provider (as described above) before returning to practice, training, or competition. The student or parent must provide this authorization to the student's coach or athletic trainer.
4. Athlete may possibly return to activity if they are not diagnosed with a concussion.

ACADEMICS AND ATHLETICS

Participation in co-curriculars is a privilege. With this privilege come responsibilities in the areas of preparation, attitude, sportsmanship, and academics. These responsibilities exist both in and out of school, both in athletic and non-athletic settings. We recognize the need for God's support and guidance in meeting these responsibilities.

JPII Catholic Schools has a rich tradition and history in academic excellence among its students participating in school activities. Students who are involved generally have had higher GPAs, and each year a high number of varsity programs qualify as Scholar Teams based upon a cumulative GPA of 3.2 or better. Parents can play an important role in helping students in activities balance the demands of academics, school activities, and school in general. The preparation and practice necessary for success in either activities or academics is equally important.

Academic Eligibility Guidelines

The following rules and regulations will govern academic eligibility of students participating in a High School and middle school co-curricular activities within the JPII Catholic Schools.

- Students must be enrolled in six (6) classes each academic semester.
- Students must maintain a minimum cumulative GPA of 1.5 and have a minimum GPA of 1.5 at the end of the quarter or semester.
- Students who receive a failing (F) grade (regardless of their GPA) at any of the grade-check dates below will be declared academically ineligible.
- Students with a grade of Incomplete (I) at the end of a quarter will be ineligible until that grade is changed.
- WF-withdraw/fail, counts as an F on GPA and academic eligibility.

A student who fails to meet any of the above stated rules and regulations will be placed on academic probation. Academic probation excludes a student from participating in any team or individual competition or co-curricular performance of any kind. The student may still practice and attend program/activity-related meetings and may not miss any class time until the subsequent eligibility check. The activities director will contact the parents/guardians, via mail, and the student, in person, to discuss the student's academic situation.

OFFICIAL GRADING PERIOD FOR SHANLEY HIGH SCHOOL AND SACRED HEART MIDDLE SCHOOL

Eligibility checks for participation in co-curricular activities will be based on the current grade at 8:00 a.m. on the dates listed below or final quarter grade. Any students with a failing grade will be ineligible to compete but may practice with the team. They may regain eligibility only upon the subsequent check. Students failing the Q2 check will be ineligible for a period of two weeks. Students failing the Q4 check will be ineligible for the remainder of the season.

CORRECTION OF ACADEMIC DEFICIENCIES

Any student who is placed on academic probation based on receiving a failing grade at grade check may be removed from probation by improving that grade to a passing mark by the next grade check. The student must be passing all their classes to become eligible.

Any student who is placed on academic probation based on receiving an incomplete (I) on a report card (at quarter grades only) may become eligible once necessary work is completed.

Academic probation based on a GPA of less than 1.5 at the end of any official grading period may be corrected by earning a GPA of 1.5 or better at the end of the next official grading period which would be the end of a quarter, and/or semester which includes no grade of "F."

SCHOOL ATTENDANCE GUIDELINES

Students involved in any co-curricular activity must meet their academic needs by attending school regularly. Refer to the Attendance Guidelines on page 28

ACTIVITIES GENERAL STANDARDS AND GUIDELINES

CALLING OFF PRACTICE

- All practices are cancelled on days in which school is cancelled because of weather or other unforeseen reasons.
- On days that activities are cancelled because of weather forecast and practices are allowed, all practices must be completed, and all students must be out of the building by 6:00 p.m.

CAPTAIN'S PRACTICES

Captain's practices are not sponsored or supervised by JPII Catholic Schools. JPII Catholic Schools assumes no liability for participants involved in captain's practices.

DRESS AND GROOMING

Students who participate in co-curricular activities are expected to dress appropriately, modestly, and in accordance with JPII Catholic Schools "non-uniform day" guidelines. Coaches/Advisors may establish and post appropriate standards with each individual group. Participants should also expect to be neatly groomed, with clean and well-kept hair.

PARTICIPATION FEES

JPII Catholic Schools have established a fee system for all students who participate in co-curricular activities within the JPII Catholic Schools. The participation fees are found on the Tuition & Fees Plan, participation fees are non-refundable after the first nine (9) scheduled practices.

PARTICIPATION GUIDELINE FOR STUDENT'S MULTIPLE CO-CURRICULAR ACTIVITIES

Many of our students are involved in several activities which occasionally conflict with each other outside of the school day. Academic and co-curricular leaders should make every effort to work with the student to determine a positive solution that allows the student to attend part of both activities, if possible.

- Concert vs. practice – student attends the concert
- One of the three designated curricular music concerts vs. game – student attends the concert since this is an academic class - they are earning a grade for the concert
- Performance dress rehearsal vs. practice – student attends the performance dress rehearsal
- Performance dress rehearsal vs. game – student attends the game
- Concert vs. regional/state competitions – student attends the competitions

Should a state music and a state activities event occur simultaneously, student, advisor/coach and parents/guardians would work together for a decision in the best interest of the student.

PRACTICE ATTIRE

Athletes are to dress appropriately and may not wear a shirt that has been altered in any way at practices. T-shirts that have the sleeves cut off and have been cut out down the side of the shirt are prohibited. This includes all practices and camps held and sponsored by JPII Catholic Schools or any of its coaches. Attire rules apply to practices and camps that take athletes off campus such as long training runs or offsite runs/practices.

TRANSPORTATION GUIDELINES

It is the belief of the administration that when the teams traveling to and from co-curricular contests is an important part of the team building process. Therefore, for all contests or events outside of the Fargo/Moorhead area that JPII Catholic Schools supplies the transportation, participants are required to travel to and from the contest or event in the JPII Catholic Schools approved vehicle(s). If parents need to drive their own child home from an out-of-town event where transportation is provided by the JPII Catholic Schools, they must sign the Travel Release Form before doing so. Under no circumstances will a participant be permitted to drive their own vehicle to a contest outside of the Fargo-Moorhead area.

WINTER TRAVEL GUIDELINES

Beginning November 1, all participants in activities must have the following winter apparel in their possession when loading buses to travel outside the Metro area.

- Winter coat
- Winter cap or stocking hat
- Winter gloves or mittens
- Winter foot apparel

ATHLETIC CAUTIONS, CONSIDERATIONS, AND RESPONSIBILITIES

Activities can be highly competitive and physical conditioning plays a major role in the preparation of the student athlete. Because of the intense demands of participation, students must observe the practice rules, procedures, and training progression that are given. This, in turn, should address the need for safety, learning, and the overall desire to succeed and enjoy the sport. A few risks will be highlighted; however, additional risks may not be mentioned, but care should be taken.

Activities do require a significant time commitment. Many activities are held on Saturdays and require some travel. The days are long and return times are most often estimates. The coach/advisor (s) will provide a time "window" of the expected time of return from an event, but participants and parents should be aware that events may run longer than expected (due to travel, number of participants in a particular activity, awards ceremonies, etc.).

The coach/advisor (s) also recognizes that students are often involved in other activities. Whenever possible, coach/advisor will work with students to accommodate other activities. Students are encouraged to participate in other activities. No student will be denied participation because of conflicts with other activities. When initial efforts to resolve participation conflicts fail, the Administration will review the circumstances and make a decision.

PREPARATION FOR ACTIVITY

- Clothing, shoes, and protective equipment for your sport should fit properly and be worn during practices and contests. Remove all jewelry before participation
- Individuals requiring athletic training services should arrive early to receive treatment to avoid being late for practice. All physical problems that are chronic or may interfere with participation should be reported to the trainer and coaches
- All athletes must have their annual physical exam on file prior to the start of the season and should report in sound physical condition/sport appropriate

- If needed, shatterproof glasses and/or appropriate eyewear should be worn when needed

LOCKER ROOM AND PRACTICE

Be alert to the surroundings to prevent any injuries. Students should not engage in roughhousing or horseplay which could lead to injury. Keep soap and shampoo in the shower area and report to a coach or trainer any problems with foot or skin infections. Close and lock your lockers whether you are at a home competition or on the road. Do not leave valuables out, as locker rooms are frequently used by visiting teams and outside organizations after school. When spikes/cleats are used for the sport, they should not be worn in the building. Please put them on outside and remove them before entering. If locker rooms are used inappropriately, they may be closed after school.

GENERAL SPORT CAUTIONS

- Be alert to dehydration symptoms. Students should remain well hydrated throughout the season of participation
- Do appropriate stretching and warming up before the start of activity
- Inappropriate use of required equipment for the sport is forbidden
- Assist with the equipment check at practice and game sites to ensure safety
- Do not overload equipment. Always be certain to observe noted limits
- When practice or competition is taking place outdoors, always be mindful of pending weather conditions that could threaten safety
- Proper safety procedure for individual sports will be covered by coaches in each specific activity

EMERGENCIES

Because of the nature of sports, injuries may occur. All injuries must be called to the attention of the coaching staff and athletic trainer. Some injuries may require more intense management. When such an incident occurs, the practice, scrimmage, drill, or contest should be stopped. Make sure the coach, trainer, or other site manager is aware of the problem. If necessary, additional assistance should be called. If a fire or safety alarm occurs, the site should be evacuated, with all participants moving a safe distance away from the facility.

ATHLETIC INSURANCE AND INJURIES

Activities can play an important role in your student's development; however, there is a risk of injury occurring during participation. We encourage all parents to have medical coverage in the event that an injury occurs while their student is involved in activities or during the regular school day. JPII Catholic Schools does not provide insurance coverage for student participants other than prescribing to a catastrophic insurance through the NDHSAA. JPII Catholic Schools has a certified athletic trainer on staff during most practices and contests. The athletic trainer will consult with the parents and make recommendations if they believe further attention is needed by a physician.

INJURY TREATMENT BASICS FOR HOME

As a parent, you may find yourself treating a sports injury at home. When treating an injury, remember RICE.

Rest: Stop working the injured area and rest. Avoid anything that causes pain in the injured area.

Ice: Apply ice to control swelling and reduce pain. While applying heat may "feel good", it actually increases the swelling and recovery time. Always apply ice first.

Compression: Wrap the injured area to control the swelling. If the skin is discolored (blue or purple), a doctor should be consulted.

Elevation: Elevate the injured area to assist with the control of swelling and to provide relief from other discomfort.

Please inform your child's coach or athletic trainer of any injuries that you think they might not be aware of.

STUDENT ELIGIBILITY NDHSAA/JPII CATHOLIC SCHOOLS

JPII Catholic Schools is a voluntary member of the North Dakota High School Activities Association and the National Federation. Both of these associations have developed guidelines and rules. The list below represents a summary of the regulations dealing with student eligibility. The rules are found in the NDHSAA Handbook online at www.ndhsaa.com under publications on the homepage. Your role in following the rules will ensure eligibility to participate in co-curricular activities. Not following the rules could lead to ineligibility and/or forfeiture of contests. Decisions regarding eligibility may not be appealed.

If you have a question regarding one of the regulations, or have some other question dealing with eligibility or participation, please feel free to contact the Activities Director at your school.

Age

A student becomes ineligible on or after he/she reaches the age of 20.

Physical Exam

A student must have an annual physical on file with the athletic trainer. A physical must be obtained on or after April 15 and will remain in effect for the upcoming school year.

Amateur Status

A participant will become ineligible in an activity if they receive cash for participating in a contest. They will also be ineligible if they participate in activities, schools, tryouts, or games sponsored by professional athletic organizations during the season of a sport. Competing in a contest under an assumed name will also cause a student to become ineligible. Participants may accept any cup, medal, or trophy (not cash) for winning or placing in a competition providing the value of the award does not exceed \$75.

Playing on Teams Outside of School

A student shall not have participated in a similar athletic contest during the same sports season as a member of any other than a high school team nor as an unattached individual in non-school contests during the high school season in that sport, and the penalty for this violation shall be loss of eligibility from the date of the infraction for six contests for each violation in that sport. (Example: if a student is on the school basketball team, he/she may not play on a non-school basketball team during the school season. He/she may be on a volleyball club team during basketball season, and not lose eligibility).

Summer Camps

Students may participate in summer sports camps. Participation in summer camps for fall sports is not permitted after July 31st. Students may participate on city recreation or independent teams or as unattached individuals during the summer until the opening of the high school season in that sport.

Transfer

If a student transfers from one school to another after their 9th grade year without the family moving into the Fargo Public Schools District, the student will be ineligible for varsity competition for one (1) calendar year at Shanley High School.

All Star Competition

Students shall not compete in any sport under NDHSAA jurisdiction in All Star events or in national competition without having written permission from the NDHSAA. Participation in such contests will cause the student to lose eligibility.

Misbehavior During Contests

If a student is found in violation of the ethics of competition or the EDC description of good sportsmanship, he/she may be barred from interscholastic competition either as a participant or spectator, or both, for the current and future events.

TRYOUTS AND STUDENT ASSIGNMENT WITHIN THE PROGRAM

All eligible students have the opportunity to try out for a school activity. Each activity has a starting date, and there will be a minimum of three days of tryouts/practice before team selections will be made. Sub-varsity and lower-level program students need to be invited to try out for a higher-level program.

Students at try-outs are evaluated using three areas of criteria: General Commitment to the Program and Program Rules; Skills and Abilities; and Eligibility and Conforming with Eligibility Guidelines.

DEACON WAY PARENT / SPECTATOR SPORTSMANSHIP

We All Play a Role.....

Rarely is a contest played without negative reaction from a coach, participant, or spectator in the stands on a call made by the official. Officials do make mistakes, as well as coaches, players, and yes, the "fans". School activity programs can bring out the very best in our participants, students, and adults, or it can bring out the worst. Everyone has a role to play. We can do this by being a good example and by following a few simple practices.

GENERAL GUIDELINES

- Be a gracious host and show respect for our opponents
- Respect the decisions made by the contest officials
- Be an exemplary role model by positively supporting teams in every manner possible, including content of cheers and signs
- Be a fan, not a fanatic
- Realize that a ticket is a privilege to observe the contest and support the activities, not a license to verbally assault others or be generally obnoxious
- Examples of a Good Sport
 - Exhibits spirit of benevolence and genuine concern for the opponent
 - Accepts results gracefully and acts fairly and courteous at all times
 - Maintains self-control in all circumstances

- Unacceptable Behavior
 - Disrespectful or derogatory yells, chants, songs, or gestures
 - Criticizing officials in any way; displaying a temper with an official's call

PARENT / COACH COMMUNICATION

Both parenting and coaching are extremely difficult tasks. By establishing an understanding of each position, we are better able to accept the actions of the other and provide greater benefit to students. As a parent, you have a right to understand what expectations are placed on your child when involved in our programs. This begins with clear communication from the coach of your child's team.

Communication You Should Expect from Your Child's Coach

1. Philosophy of the coach
2. Expectations the coach has for your child as well as all the players on the team
3. Location and times of all practices and contests
4. Team requirements: i.e., fees, special equipment, off-season conditioning
5. Procedures should your child be injured during practice or a contest
6. Discipline that might affect your child's participation

Communication Coaches Expect from Parents

1. Concerns expressly directed to the coach
2. Notification of any schedule conflicts well in advance
3. Specific concerns regarding a coach's philosophy and/or expectations

As your child becomes involved in the programs of JPII Catholic Schools, he/she will experience some of the most rewarding moments of his/her life. It is also important to understand that there might also be times when things do not go the way you or your child wishes. During those times it is important to have an open dialogue with the coach. *"Too many people enjoy the comfort of opinion without struggling through the labor of thought"* -- John F. Kennedy

Appropriate Concerns to Discuss with Coaches

1. The treatment of your child mentally and physically
2. Ways to help your child improve
3. Concerns about your child's behavior

As a parent it may be very difficult to accept your child's playing time. Coaches are professionals. They make judgment decisions based upon what they believe to be the best for all the students involved.

Issues Not Appropriate to Discuss with the Coach

1. Playing Time
2. Team Strategy
3. Play calling
4. Other student athletes

There are situations that may require a conference between the coach and the parent. It is important that both parties involved have a clear understanding of the other's position. When these conferences are necessary, the following procedure should be followed to help promote a resolution to the issue of concern:

1. Call to set up an appointment to meet with the coach.
2. Student-Athlete must attend meeting with parents
3. If the coach cannot be reached, call the Activities Director at your school.
4. Please do not attempt to confront a coach without a scheduled appointment, such as before or after practice or a contest. Meetings of that nature usually do not promote resolution.
5. Communications regarded as “group communications” will not be entertained. Petitions and/or unplanned large group meetings are unacceptable

What can a parent do if the meeting with the coach did not provide a satisfactory resolution? Follow Expectations for Communicating Concerns, see page 11.
