# JPII SCHOOLS UPDATE

## **New Staff Orientation**

Last Thursday, August 4 we welcomed 17 new JPII Catholic Schools staff members to the Shanley-Sacred Heart School for two days of orientation. There was a great spirit among the group as we worked through the two-day agenda. Through discussions, reflections, activities, and even a “Pop Quiz” from Mr. Hagstrom, they learned about one another, working in a Catholic school, School Safety, employment benefits, bullying and the history of Catholic Schools in Fargo. What a great group!

## **New Teacher Mentor Program**

New teachers will continue their orientation on August 16 and meet with mentors who will be assigned to them for the school year. The teacher mentor program is a critical component of the induction of new teachers to JPII Catholic Schools. The mentor supports the professional growth of the teacher specific to our environment. Resources are provided for both the mentor and the new teacher to foster a professional relationship. Over the course of the school year, monthly meetings are held as well as classroom observations and reflections of overall adjustment to teaching in JPII Catholic Schools. We feel good mentors make a difference in retaining teachers in the profession.

## **Mentor Coordinators**

To measure the effectiveness of the new teacher mentor program, each year we survey new teachers about their experience. As a result of this review and evaluation, we have added two Mentor Coaches to provide direct support and guidance to the teacher mentors as well as the new teachers. Kari Sornsins will mentor the new high school teachers and coach the mentors at Sacred Heart middle school. Alyssa Brown will coach the mentors for all three elementary schools.
